

TUC Conference Fringe Meeting

'Dad's Army' or Labour's

Green Industrial Revolution?

Monday 9 September, 2019 - 5.45pm – 6.45pm
Room 4, Brighton Centre

The government's efforts to tackle the climate crisis are *'like a Dad's Army operation,'* says its independent advisers.

This fringe meeting will debate Labour's **Green Industrial Revolution**, with plans for high *quality, unionised jobs* and productive *zero carbon* industries across the UK. Unions and the TUC now demand a Just Transition, putting jobs, skills and 'union voice' at the heart of these plans. Meanwhile, as air quality deteriorates, driven by fossil fuel emissions, unions are organising at work on the health risks *and to build an alternative zero carbon economy.*

The Greener Jobs Alliance will launch our new, free online Just Transition training module. Our aim is to help unions boost workplace organisation and awareness to tackle the climate crisis.
